**Unaudited Interim Financial Statements (continued)**  
**For the period ended 12 November 2002**

**7. Change in accounting policies.**

The prior year adjustment has been caused by a change in accounting policy that has affected the net assets of the subsidiary undertakings of Standard Chartered PLC ("SC PLC"). Investments in subsidiary undertakings are stated in the balance sheet of SC PLC at the Company's share of their attributable net assets, together with any long-term loans provided by the SC PLC to the subsidiary undertakings.

The change in accounting policy relates to Financial Reporting Standard Deferred Tax 19 ("FRS 19"). FRS 19 - is effective for accounting periods ending on or after 23 January 2002, and the Group adopted FRS 19 in the current period.

It specifies the provisions that are required for deferred tax, which are on a different basis to its predecessor, Statement of Standard Accounting Practice 15.

The adjustments have no effect on current or prior periods tax charge but affect the Deferred Tax balances, and Reserves. The brought forward balances in the subsidiary undertakings at 1 January 2001 have been restated as follows: the Deferred Tax Asset balance is increased by \$156 million, the Profit and Loss Reserves balance is increased by \$140 million and the Premises Revaluation Reserve is increased by \$16 million. These adjustments of \$156 million increase attributable net assets and are reflected in "Investment in Subsidiary Undertakings" as a prior year adjustment.

## Standard Chartered Appoints New Chairman

The Board of Directors of Standard Chartered PLC announces today that Mr Bryan Sanderson, will succeed Sir Patrick Gillam as Chairman of the Group.

Mr Sanderson will join the Board of Standard Chartered as a Non Executive Director with effect from December 9. He will take over as Chairman on Sir Patrick's retirement in May 2003.

Mr Sanderson, 62, has spent most of his career with BP, which he joined in 1964. This included a three-year period based in Singapore as BP's Senior Representative for South East Asia and China. In 1990, he was appointed Chief Executive of BP Chemicals. From 1992-2000 he was a Board Member of British Petroleum Co PLC with responsibilities including the Asia Pacific region and BP Chemicals.

Mr Sanderson retired from BP in 2000 and became Chairman of the Learning and Skills Council, in August of that year, focusing on post 16 year-old education and training. He is also non-executive Chairman at BUPA, non-executive Director at Six Continents PLC, Vice Chairman of the Court of Governors at London School of Economics and Chairman of Sunderland plc.

Sir Patrick Gillam, Chairman of Standard Chartered said: "I am extremely pleased that Bryan has agreed to take over as Chairman, when I retire next year. Having spent nine years as Chairman, I believe the role requires a detailed knowledge and practical understanding of international affairs. Bryan's career experience with BP is a tremendous fit with a Bank that has more than two-thirds of its revenues in Asia.

"Bryan will work with our Group Chief Executive, Mervyn Davies, and the Board to ensure that Standard Chartered continues to build on its position as a highly successful international bank."

Bryan Sanderson commented: "I am delighted to be taking up the position of Chairman at Standard Chartered. Sir Patrick and the Board have transformed the bank in recent years. I look forward to working with Mervyn Davies and the team to continue to take the Company forward with a focus on strong performance."

Mr Sanderson is married with two children and grew up in County Durham. He studied Economics at the London School of Economics and went on to study Business Studies at IMEDE Lausanne.

**Standard Chartered to Repurchase 8.9% Dollar Preference Shares**

Standard Chartered PLC ("Standard Chartered" or "the Company") announces a tender offer to purchase for cash its 8.9% non-cumulative dollar preference shares at US\$1,110 per dollar preference share plus an amount equal to accrued but unpaid dividends to the date of purchase.

In September 2002 the Company wrote to its ordinary shareholders to seek their authority to make market purchases of its preference shares.

The Board noted then the importance of the Company operating with an efficient balance sheet. While it is important to have a capital base which is adequate to allow the business to grow in all areas which appear to offer an appropriate balance between risk and profitability, it is equally important that the Company does not carry excessive amounts of capital and that it uses the most appropriate mix of capital instruments in the balance sheet.

The repurchase authority was granted at an extraordinary general meeting of the Company held on 7 October 2002.

**The tender offer**

The principal features of the tender offer are as follows:

- the purchase for cash of the dollar preference shares at US\$1,110 per dollar preference share, plus an amount equal to all accrued (but unpaid) dividends per dollar preference share up to (but excluding) the settlement date, which is expected to be Wednesday 4 December 2002; and
- the tender offer will close at 5.00 p.m. (London time) on Friday 29 November 2002.

The tender offer is conditional and may be terminated in certain circumstances. Full details of the tender offer, including details of the tendering procedure and of the terms and conditions on which the tender offer is made, are set out in a circular dated today's date relating to the tender offer.

The tender offer is being made by UBS AG, acting through its business group UBS Warburg on behalf of the Company. Cazenove & Co. Ltd is acting as financial advisor to the Company.

**Standard Chartered PLC Share Offer Successfully Completed**

Hong Kong, 28 October, 2002 – Standard Chartered PLC (the "Company") today announced that it has successfully priced its global Share Offer in connection with its listing on the Stock Exchange of Hong Kong ("SEHK"). Despite stringent UK Investor Protection Committee ("IPC") restrictions on discounts offered to new investors and sharp appreciation of the Company's share price on the London Stock Exchange since the beginning of this month, both the Hong Kong Public Offer and the Institutional Offer were comfortably oversubscribed.

Standard Chartered has achieved its stated objectives from the listing. With a dual-primary listing on the SEHK, the Company is now able to access an enlarged investor base, including those funds in Asia and around the world which are specifically mandated to invest in Asian-listed stocks.

Standard Chartered also expects to have a higher profile in Hong Kong on an ongoing basis as a result of this successful listing. In addition, the Company has demonstrated its commitment to Hong Kong, China and Asia.

The final offer price for the Company's Share Offer has been set at HK\$84.00 per share (excluding brokerage commission, SFC transaction levy and Hong Kong Stock Exchange trading fee). This represents an approximate 2% discount to the closing price of GBP7.08 (HK\$85.77 based on the US Federal Reserve noon buying rates on Friday, 25 October, 2002) of the Company's shares trading on the London Stock Exchange on Friday, 25 October, 2002. The offer price per share (exclusive of brokerage commission, SFC transaction levy and SEHK trading fee) is the same for both the Hong Kong Public Offer and the Institutional Offer.

The final offer size is 30,434,800 shares, or 2.7% of the issued share capital of the Company. In addition, the Company has granted the underwriters for the Institutional Offer an over-allotment option of 15% of the base offer size.

During the three-and-a-half day Hong Kong Public Offer period, a total of 5,062 valid applications were received for a total of 3,829,700 Hong Kong Public Offer Shares (including subscription under the preferential offer by eligible Standard Chartered employees).

## Standard Chartered PLC

### Details of Share Offer and Hong Kong Listing

Hong Kong, 20 OCTOBER 2002 – Standard Chartered PLC ("Standard Chartered" or the "Company") today released further details of the proposed Listing of its shares on The Stock Exchange of Hong Kong Limited (the "SEHK") and Share Offer.

Standard Chartered intends to sell approximately 35 million new shares, or 3.1% of the issued share capital of the Company through the Share Offer, including a 15% over-allotment option. The Share Offer consists of a Hong Kong Public Offer and an Institutional Offer, both opening tomorrow.

Based on the closing price of the Company's shares on the London Stock Exchange on Friday, October 18, of GBP7.54, the size of the Share Offer, inclusive of the over-allotment option, will be approximately GBP264mm (HK\$3,188mm).

The maximum offer price to be paid by investors in the Hong Kong Public Offer will be HK\$103 per share (excluding a 1% brokerage, a 0.007% Securities and Futures Commission transaction levy and a 0.005% SEHK trading fee, all of which will be payable by such investors). The maximum offer price has been set at a premium to the closing price of Standard Chartered's shares on the London Stock Exchange on Friday, 18 October of GBP7.54 per share (equivalent to HK\$91.10 per share), in order to accommodate potential movements in the Company's share price prior to the closing of the Hong Kong Public Offer. The final offer price will be determined after the close of trading of Standard Chartered shares on the London Stock Exchange on Friday, 25 October. Under no circumstances will the final offer price to be paid by Hong Kong retail investors exceed the offer price to be paid by investors in the Institutional Offer or the maximum offer price stated in the application forms.

"We have been a note-issuing bank in Hong Kong for 141 years. It's part of our heritage but more importantly it's a fundamental part of our future. This dual primary listing – the first by a major London-listed company – demonstrates our complete confidence in Hong Kong", said Sir Patrick Gillam, Chairman of Standard Chartered.

"This listing will allow investors in Hong Kong and Asia to invest easily in our shares. A broader shareholder base in Asia will support our growth going forward", said Mr. Mervyn Davies, Standard Chartered's Group Chief Executive.

The initial tranche size for retail investors under the Hong Kong Public Offer is 10% of the base Share Offer size. 1.5% of the Share Offer will be reserved for eligible employees of Standard Chartered and its consolidated subsidiaries (including Standard Chartered Bank) (the "Group").

The final split of shares between the Hong Kong Public Offer and the Institutional Offer will be based on various factors, including levels of demand, and will be finalised following the closing of the Institutional Offer on Friday, 25 October (the Hong Kong Public Offer will close one day earlier, on Thursday, 24 October). In line with the Company's objective of encouraging retail participation, a portion of the Institutional Offer may, depending on retail demand, be clawed back to increase the size of the Hong Kong Public Offer. The Company has approval from the SEHK to offer more shares to retail investors than the minimum clawback triggers prescribed by the SEHK.

Prospectuses and application forms for the Hong Kong Public Offer will be available to Hong Kong retail investors from 9:00 am on Monday, 21 October and will contain full details about the Hong Kong Public Offer and the Company. The Hong Kong Public Offer will close at 12:00 noon on Thursday, 24 October and the final offer price is scheduled to be published on or before Tuesday, 29 October. Dealing in the Company's shares on the SEHK is expected to commence on Thursday, 31 October.

Application forms and copies of the Prospectus, in English and Chinese, will be available from 30 designated branches of Standard Chartered Bank and Bank of China (Hong Kong) or any member of the Hong Kong Public Offer syndicate. Hong Kong residents may view the Prospectus and application forms on the official Standard Chartered Share Offer website at [www.scbhklisting.com.hk](http://www.scbhklisting.com.hk), beginning at 9:00 am on Monday, 21 October. Potential investors in Hong Kong may make enquiries, including on how to apply for shares, by calling the Standard Chartered Share Offer hotline at 183-3828 from now until Wednesday, 6 November.

There will be three different application forms in the Hong Kong Public Offer: (i) White forms for investors with a Hong Kong address who would like the share certificates to be registered in their own names; (ii) Yellow forms for those who wish the shares to be issued in the name of HKSCC Nominees Limited and deposited directly into the Central Clearing and Settlement System ("CCASS"); and, (iii) Pink forms for eligible employees of the Group who wish to receive an assured entitlement of a fixed number of shares. CCASS Participants and CCASS Investor Participants may also give electronic application instructions via CCASS to Hongkong Clearing.

*Copies of the above documents have been submitted to the UK Listing Authority, and will shortly be available for inspection at the UK Listing Authority's Document Viewing Facility, which is situated at:*

*Financial Services Authority 25 The North Colonnade Canary Wharf London E14 5HS*

*Tel. no. (0)20 7676 1000*

### Hong Kong Listing and Share Offer

Hong Kong, 15 OCTOBER 2002 - Standard Chartered today announced its intention to proceed with a dual primary listing on The Stock Exchange of Hong Kong Limited (the "SEHK"). The listing will be accompanied by an offer of new shares (the "Share Offer"). The Share Offer consists of a Hong Kong Public Offer and an Institutional Offer, launching on Monday, 21 October 2002. The size of the offer will not be more than 5% of the total issued share capital of the Company.

"This is the first time a major London listed company has launched a dual listing in Hong Kong. That demonstrates our strong commitment to Hong Kong, which is our largest market. We expect this listing will help broaden our shareholder base in Asia," said Standard Chartered's Group Chairman, Sir Patrick Gillam.

Details of the Hong Kong Public Offer are scheduled to be made available to Hong Kong investors through a Prospectus and application forms, which will be available from the launch date. Prospectuses, in both English and Chinese, and application forms will be available from 30 designated branches of Standard Chartered Bank and Bank of China (Hong Kong) or any member of the Hong Kong Public Offer syndicate.

Leaflets will be available at most branches of Standard Chartered Bank and several branches of Bank of China (Hong Kong) from Tuesday, 15 October to help answer questions pertaining to the Hong Kong Public Offer. Information will also be available from a dedicated Share Offer website at [www.scbhklisting.com.hk](http://www.scbhklisting.com.hk) and a dedicated Hong Kong Public Offer Hotline on 183-3828, which will commence operation on Tuesday, 15 October.

In keeping with Standard Chartered's objective of encouraging retail participation, it is expected that a sizeable portion of the Share Offer will be made available to Hong Kong retail investors.

Goldman Sachs (Asia) L.L.C. will act as Bookrunner and Joint Lead Manager of the Institutional Offer and Sponsor of the Hong Kong Public Offer. Cazenove Asia Limited will act as Joint Lead Manager of the Institutional Offer and Co-Sponsor of the Hong Kong Public Offer.

Further details of the Offering will be announced at a press conference to formally launch the Offering which will be held at 12:00 noon (Hong Kong time) on Sunday, 20 October. The event will be hosted by Mr. Mervyn Davies, Standard Chartered's Group Chief Executive and will be held in Standard Chartered's offices in Hong Kong at Bishopsgate, 30th Floor, 4A Des Voeux Road, Central, Hong Kong.

Released	07:00 2 Oct 2002

## Standard Chartered Appoints Risk Director

The Board of Directors of Standard Chartered PLC announced today that Mr Richard Meddings has been appointed as Group Executive Director responsible for Risk.

Mr Meddings, 44, joins Standard Chartered from Barclays PLC, where he is currently Chief Operating Officer, Barclays Private Clients (the Wealth Management division of the Group). Prior to joining Barclays he was Group Finance Director at Woolwich PLC, where his responsibilities included Risk, Compliance and Treasury.

Group Executive Director Mr Chris Keljik recently took over responsibility for Middle East, South Asia (MESA) and Africa, in addition to his existing portfolio of responsibilities which included Risk. He will now focus on MESA and Africa, reflecting the increasing importance of those regions as profit contributors.

"I am delighted that Richard will be joining us. He will be responsible for further developing our strategy on Risk and, following on from the appointment of Peter Sands as Finance Director, Richard's experience will add greater depth to our strong management team. He will take forward the excellent work of Chris Keljik with the risk portfolio," said Mr Mervyn Davies, Group Chief Executive.

The role of Director with sole responsibility for Risk is a new appointment at Standard Chartered. The role had previously been part of a portfolio of responsibilities of one of the Directors.

Mr Meddings will take up his appointment at Standard Chartered in mid-November.

**TO CITY EDITORS 13<sup>th</sup> September 2002****FOR IMMEDIATE RELEASE****NOTICE OF EGM ON PREFERENCE SHARES**

Standard Chartered is to hold an Extraordinary General Meeting of the Company at 11.00 am on Monday, 7 October 2002.

The purpose of the meeting is to vote on a single special resolution to provide Standard Chartered with authority to make market purchases of up to 1,000,000 of its US dollar preference shares and up to 200,000,000 of its sterling preference shares. The meeting is to be held at Butchers' Hall, 87 Bartholomew Close, London EC1.

Standard Chartered is committed to operating with an efficient balance sheet. The Company believes that it is important to have a capital base that is adequate to allow the business to grow. It regards it as equally important that it does not carry excessive amounts of capital and that it uses the most appropriate mix of capital instruments on its balance sheet.

"Having the authority to buy back preference shares will provide us with further flexibility to manage our capital base. If granted, the authority will only be exercised where the directors believe that this would be in the interests of shareholders generally," said Sir Patrick Gillam, Standard Chartered's Chairman.

The Board of Standard Chartered unanimously recommends shareholders to vote in favour of the special resolution.
